

## Pickaway County Job Club

Are you interested in learning more about jobs and career options for yourself and over the age of 14? If so, today is your lucky day!

**Job Club** is a new service where you can find out:

- What jobs an employer has at a specific site
- Do I like these jobs better than the jobs I currently have?
- What skills it takes to work the jobs
- What is a day like working at the site

The job club will be meeting once every four months at a different employer each time. You will meet in small groups of four with your peers and experience all the employer has to offer.
